

Diagram illustrating a 600mm wide x 600mm deep channel with a 200mm pipe and a 600mm manhole cover. The channel is shown with a grating top. The pipe is labeled "200Ø pipe". The manhole cover is labeled "600Ø MANHOLE RCC COVER Heavy Duty".

The drawing consists of two parts: a plan view and a side elevation view.

**Plan View:** Shows a rectangular structure with a width of 75 and a depth of 55. The total length of the structure is 300. The structure is divided into 10 equal segments by vertical lines. The word "PLAN" is written below the structure.

**Side Elevation View:** Shows a curved structure with a height of 206. A label "RCC LADDER" points to the structure. The structure is shown in a perspective view, with a small rectangular box at the top center.
